

Design a Band Whole Day creative Project

Cross-Curricula
Learning for KS2

KS2 Lesson Pack

Bands & Music Groups Research

What sort of bands are there?

Research some bands or music groups you know and some new ones.

Don't just look at pop music look at classical too!

What ideas, colours and shapes could you possibly use for your logo?

Research logos if you aren't exactly sure what they are.

What ideas could you use for your band?

What sort of band could you create?

The Plan for your Band

(Add as much detail as you can in each box)

What is the name of your band?

Who are the people in your band?

What do they do in the band?

What style of music does the band
make?

History of the band?

Beginnings and how became successful

What are the names of the band's
biggest hit records?

Who buys the band's music?

What is your band's style like?

How do they dress?

What are their songs usually about?

Journalistic Writing Plan

Imagine a newspaper or magazine is writing a feature on your band. They will talk about the band and ask them interview questions. You need to write the article and include an interview.

Bands history	Interesting stories that the band have
Places the bands have travelled too	Describe their famous music video
Interview questions and answers	What is the plan for the band in the next 2 years?
	VCOP or vocabulary, connectives, openers and punctuation to use.

Rough Designs: Front and Back Cover of Their Album

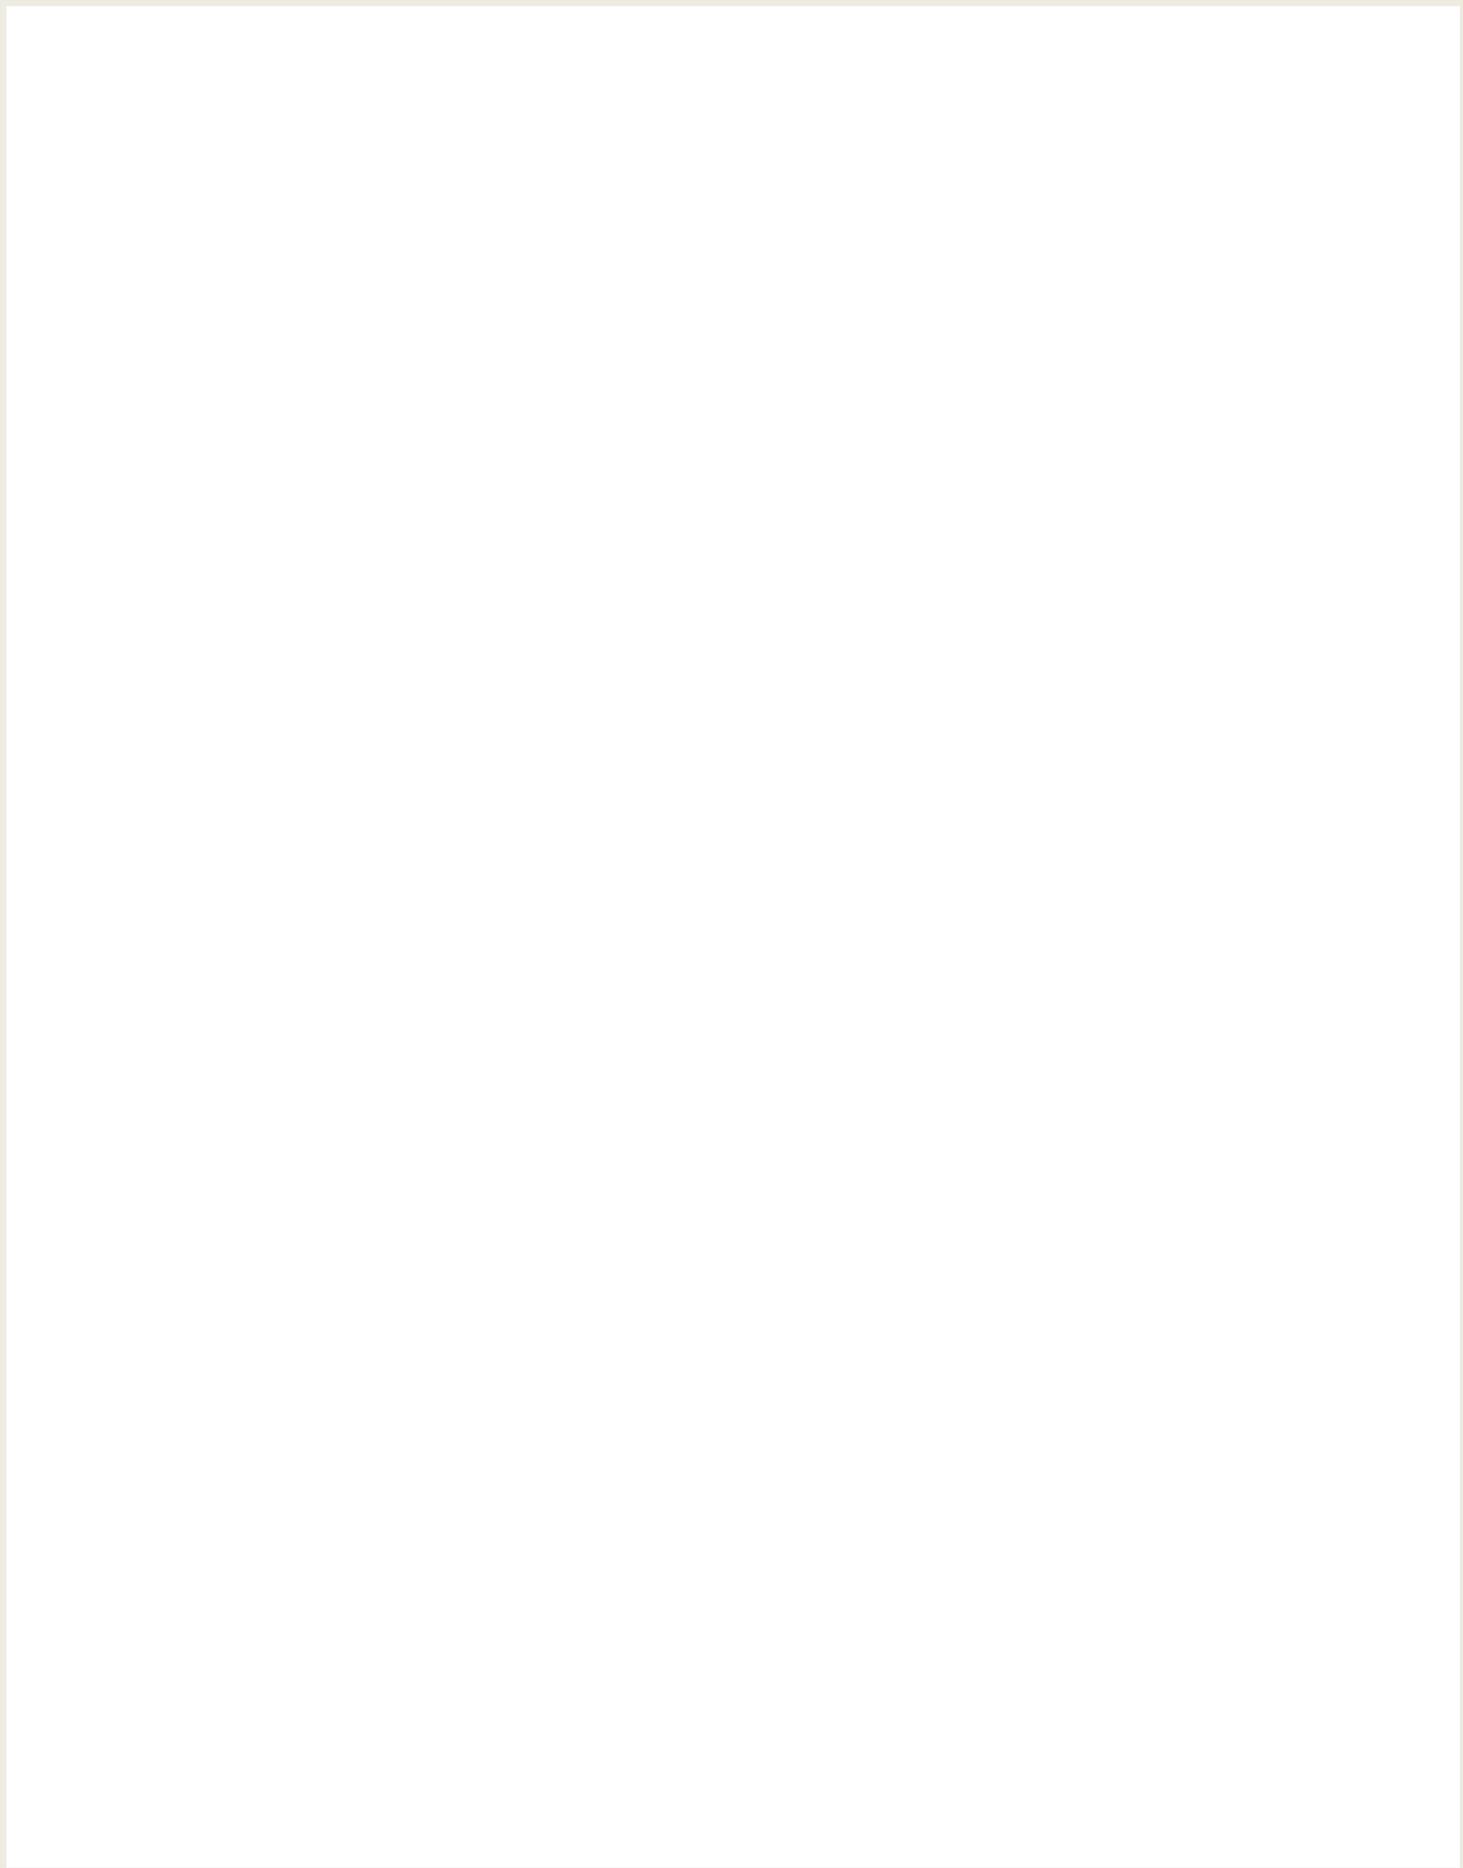

Front

Back

Design the Front and Back of your Band's Debut Album

--	--

**Draw a Picture of your Band in the
Middle of a Promotional Poster**

Band Presentation Plan

Once this is completed you will need to practice your presentation.

<p>Do you need to write a script? Do you need multiple copies?</p>	<p>How will you decide who, is saying what? What will you show and who will show it?</p>
<p>How and where will you practice?</p>	<p>Explain why your band is the best. What are the key points?</p>
<p>Who will answer questions? Will you take it in turns?</p>	<p>How should you speak when presenting?</p>
<p>What kind of intelligent or tricky questions could you ask other groups?</p>	<p>Other notes and ideas to help you create the best presentation.</p>

Create a Band Reflection and Evaluation Sheet

(Write in full sentences, add as much detail as you can and try to write something different in each box)

<p>What did I do well?</p>	<p>How would I do this differently if I had to do it again tomorrow?</p>
<p>My favourite bit of the project</p>	<p>Did I work well in a team? What did I learn about teamwork?</p>
<p>What could I have done better?</p>	<p>Did the team work well together? Explain your answer.</p>
<p>What have I learned in this lesson?</p>	<p>Hardest bit of the lesson</p>
