

# MARLFIELDS PRIMARY ACADEMY

## UNIFORM POLICY

### **Ethos and Vision**

At Marlfields Primary Academy, the school uniform is an integral part of school life and we encourage all our pupils to take pride in their appearance. A willingness to wear the correct school uniform goes hand-in-hand with a positive attitude to learning and also indicates a family's commitment to the values and ethos of the school.

Our policy is based on the belief that a school uniform:

- promotes a sense of pride in the school
- engenders a feeling of belonging
- Is practical and distinctive
- identifies the children with the school
- is not distracting in class, helping to keep focus on studies
- makes children feel equal to one another in terms of appearance
- reflects the sense both of community and of diversity that the school takes pride in
- is regarded as suitable, and good value for money.

The aim is to help pupils learn that dressing neatly and smartly is also good preparation for high school, adult and working life.

Some decisions on school uniform policy are made to maintain health and safety. For example, children are more easily identified on a school trip if they are wearing a sweatshirt or cardigan with the school badge.

### **Human Rights Act and Equalities Duties**

The Governing Body will consider implications of the Human Rights Act when setting its policy for uniform. It should be considerate of the needs of different cultures, races and religions.

When accommodating religious requirements, the Governing Body will ensure these do not pose a threat to security, safety and learning, or compromise the well-being of the school community. The policy will not discriminate on the grounds of gender, race, disability, sexual orientation or belief.

### **Sourcing the Uniform**

The Governing Body will be responsible for ensuring the Uniform sourced provides value for money and the cost of uniform does not preclude admission to the school. An order form is available from reception for key items of the school uniform.

## Consultation

Parents will be consulted with regard to the any change to uniform in the autumn term prior to implementation of changes in the following autumn term. Changes in uniform policy will be communicated in the summer term at the latest.

## Communication of the Policy

The policy will be communicated in the school prospectus for admissions. This will be given to all parents at induction to the school. The policy will also be available on the school website.

The uniform policy, as listed below, will also be communicated every term in the school newsletter as a reminder of expectations to all parents.

Please note that no chewing or bubble gum is allowed.

Parents are to inform the school in writing if they are not able to comply with the uniform policy for any reason. For example, there may be a valid medical reason why a child has to wear alternative footwear to that in the policy. The Principle will determine if this is a valid reason and will respond in writing. The expectation will be for the child to return to being in full uniform as soon as possible.

### **Named Items**

All items of clothing must be named and children need to be encouraged at home and school to take care of their own property.

## **Breaching School Uniform Policy**

- It is the Principle's and staff's responsibility to make sure pupils keep to the rules. The Principle can discipline pupils for breaches of uniform policy.
- Parents will be informed if children are without proper uniform and no communication has been received from parents. This will also include when children do not have their full P.E kit.
- Exclusion on the grounds of breaches of uniform policy should only be used in cases where breaches of uniform policy are persistent and clearly defiant. (Further details are to be found in the school's Behaviour Policy.)

## **Monitoring of this Policy**

This policy will be monitored by the Governing Body's Environment Committee through:

- Reports from the Principle on standards and the number of discussions with parents
- Parental and pupil responses through surveys
- Governor monitoring visits to the school.
