OFSTED

Many thanks to all who completed the Ofsted Parent Questionnaire, those who spoke to the Inspectors, the children who behaved impeccably and answered questions from the Inspectors in a very grown-up way and are a credit to you all. Finally, special thanks to all the staff – teachers, teaching assistants, office staff, mid-day assistants, cleaners etc who all dealt with everything in a calm and professional manner and went above and beyond to ensure everything ran smoothly.

We do not have the final report yet. That will be in a couple of weeks. As soon as we do, we will let you all know what the decision of the inspectors was.

LUNCH CHOICES

Can you believe this is the last choice before we break for the Easter holidays? Please get your choices for the last week of term by Tuesday lunch-time next week for both menus. The second menu is for when we come back after the holidays.

YEAR 2'S VISION OF 2050.

Year 2 have designed their ideas of cities in the future as well as what new technology they might see.

SCIENCE WORKSHOP

On Tuesday all the classes took turns to take part in wacky science workshops. We learnt about forces affect objects and the digestive system. They also saw how air can affect direction of objects. Great fun was had by all.

Skips Safety Net

Keeping children safe online

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
