LUNCH CHOICES for **w/b MAY 20th**

Monday		Tuesday		Wednesday		Thursday		Friday	
CHICKEN GOUJPNIS	MACARONI CHEESE	ROAST BEEF	PASTA & SAUCE	CHICKEN KORMA	VEGAN KATSU CURRY	BEEF COTTAGE PIE	VEGETARIAN COTTAGE PIE	FISH FINGERS	VEGAN SAUSAGE ROLL

PLEASE LET US HAVE YOUR CHILD'S LUNCH CHOICES BY 3:00PM OF TUESDAY 22ND MAY

Orders received after this time CANNOT be accepted.

CLASS PHOTOGRAPHS

Last week Academy photographers came into school to take class photos. Your child should bring their copy home tonight.

You can either order a copy on-line (which is preferable) or send the order into school. The closing date for orders is 20th May. Orders cannot be accepted in school after this date, but you can order direct from Academy, but there may be a late fee applied to your order.

TIME TO CELEBRATE

We always like to share with you and celebrate the out of school achievements of the children.

Here are a few from last weekend.

FOOTBALL:

Izzy from Year 4 wanted to share her celebration with the wider school community.

She, and the rest of her team got to the finals of the Manchester Youth Football League at the weekend and **WON** – against the boys' teams!

Well done Izzy and team, we are all super proud of you!

Blake from Year 5 took part in The Witton Albion Cup with The Vale Juniors the other day. He, and the rest of his team, played really well with Blake scoring a great goal! and they went on to win the cup on penalties.

Well done Blake and your team, what a great achievement.

MOTORCROSS:

Bradley from Year 6 has recently achieved an ACU (Auto Cycle Union) **BRONZE** certificate for his achievements in motorcross.

To achieve this he had to show his ability in being able to start and stop the bike, hold a steady throttle, stop the bike using the back brake, stand up on the bike and to go up and over obstacles.

He trains every weekend with an ACU trainer, he thoroughly enjoys his training sessions and would highly recommend the sport to everyone! Congratulations Bradley!

WEATHER PRECAUTIONS

As the weather now seems to be changing and is now getting a lot warmer, may we please ask for your support in keeping your child healthy.

Please ensure that your child has with them a water bottle to stay hydrated and a sun hat. It is also advisable for you to apply to any exposed skin a long-lasting sunscreen to prevent sun burn. We are not able to apply sunscreen to the children, which is why we suggest the long-lasting sort.

As we all know, the weather can change dramatically so we also suggest that you also send in a coat, just in case!

VALE FOOTBALL TOURNAMENT

Years 5 and 6 went to Eaton Bank this week to take part in an inter-school football tournament.

Our team played very well and managed to get through to the group stages.

After all the games we came third in the league which is very good indeed.

Well done and thank you to our team for representing us and for showing exemplary sportsmanship, and thanks also to their parents for allowing us to borrow the children and most importantly for ferrying them around!

FIRE SAFETY

On Wednesday Year 5 were visited by Congleton Fire Service to teach them about Fire Safety. Ashton can be seen here modelling the safety gear that fire fighters use. It was perhaps a little big on him, but he looked fantastic wearing it.

They were taught that everyone needs working smoke alarms on all levels in the home; to close all doors at night and the importance of having a Fire Action Plan. They were also advised to turn all electrical items off; tidy away anything on the floor and take a mobile phone to bed in case of an emergency.

FIRE ACTION PLAN 1

Check the door for heat.

Go to your parents' room.

Wake others up.

Go straight outside.

Call 999 immediately.

FIRE ACTION PLAN 2

If there is a blocked escape route:

Check the door for heat.

Go to your parents' room.

Crawl low.

Escape through the window.

FIRE ACTION PLAN 3

Check your bedroom door for heat, if it is hot:

Block gaps around the door.

Shout out of the window for help.

Following this, the children went into the Smoke Tent so that they could experience how it is better to crawl under the smoke rather than stand up-right. It was difficult to see when they were standing up but much clearer when they were crawling on the floor.

GROWING CRESS!

This week Year 1 have learnt about what a plant needs to grow. They all enjoyed the sunshine and planted their own cress seeds. They have all created a diary so that we can observe our plants over time. Watch this space to see how tall they grow.

AND FINALLY

Next week is SATs week for our Year 6 children. We would like to wish them a restful weekend in preparation, and to say,

**Good Luck
In Your Sats**

We know you are amazing
And you will try your best.
Although it seems important,
Know that it's just a test!
It doesn't measure anything
That tells us who you are,
Like humour, love and friendship,
Or that you are a star!
So have a go, do what you can,
See what you can do.
Know no matter the results,
We're always proud of you!
