## SPORTS PREMIUM REPORT 2023-24

### ACTION PLAN FOR 2024-2025

#### **Purpose of funding**

Schools have to spend the sport funding on improving provision of PE and sport but they will have the freedom to choose how they do this.

The vision for the Primary PE and Sport Premium: **ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

**It is expected that schools will see an improvement against the following 5 key indicators:**

**Key Indicator 1:** the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

**Key Indicator 2:** the profile of PE and sport is raised across the school as a tool for whole school improvement

**Key Indicator 3:** increased confidence, knowledge, and skills of all staff in teaching PE and sport

**Key Indicator 4:** broader experience of a range of sports and activities offered to all pupils

**Key Indicator 5:** increased participation in competitive sport

## Swimming Data 2023- 2024 reported

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study.*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently, and proficiently over a distance of at least 25 metres?	90%	<i>Pool space continues to be hard to secure and lessons have been two terms instead of three this year for our cohorts to ensure all pupils can be taught to swim and to keep skills sharp year on year.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	90%	<i>Pupils are taught a range of strokes and the importance of these to use depending on the situation the pupils find themselves in.</i>

<p>What percentage of your current Year 6 cohort can perform safe self-rescue in different water-based situations?</p>	<p>85%</p>	<p><i>We have followed the Rookie Lifeguard programme to give our pupils a good quality education in life saving and safety around water. Working for the Bronze and Silver awards has kept our pupils focused on both enjoying water and knowing it's dangers. Float to live is understood by the pupils.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes</p>	<p><i>We have taken this year cohorts 2,3,4,5,6 swimming on a rota basis.</i></p> <p><i>This is because many of our children do not experience swimming outside of school lessons and we have found from evaluation that going for just the Year 5 as it suggests within the National Curriculum does not give us enough time to get the children to the required national curriculum expectations.</i></p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes</p>	<p><i>Staff have during the year supported the swimming lessons. They have experienced how this works and some staff have supported the children within the pool giving them confidence to give swimming a go when unsure or supporting and individual with and EHCP in place.</i></p>
