Dear Parents and Carers,

I am honoured to introduce myself as the new Headteacher at Marfields Primary School.

It is a great privilege to have been selected to lead such a supportive and positive school community. As Headteacher and a mother, it is my priority to ensure your children are provided a happy, safe and supportive environment, which allows them to achieve their potential.

My journey to school leadership started in The Halliard Trust in Macclesfield, where I have experience as a Deputy Headteacher, Head Teacher and Trust Literacy Specialist. I am passionate about children's literature, and I look forward to sharing my enthusiasm of English with both staff and pupils. I strongly believe that a book-centred curriculum provides an enriching environment where every child can thrive.

Please introduce yourselves to me at the gate in the mornings, so I can build relationships with the people who are integral in our wider school community. I have already begun spending time with the children, learning their names and enjoying getting to know their personalities and strengths. It is the children, after all, who make our school special and unique.

As the school embarks on an exciting new era, I am looking forward to leading its journey to positive change.

Warm regards,

Mrs C Sleath
Headteacher
