A message from Mrs Sleath ...

Dear Parents and Carers,

It has been wonderful to welcome the children back to school following a sunny half-term break. They have returned with great enthusiasm and have quickly settled back into their learning.

Over the holidays, we have been very busy finalising our newly rebranded school website. A great deal of time has been invested in ensuring it is more accessible, informative and user-friendly for our families. Now that it is live, we will keep it regularly updated with key information, including school policies, term dates and newsletters. I would encourage all parents to make use of the website for school information.

Thank you to all those who have already completed our parent questionnaire. In order to ensure we gather as many views as possible, we have extended the deadline until Monday. Your feedback is incredibly important to us, as it helps shape our plans for another successful academic year. Your child will be bringing home a QR code today to access the questionnaire, or you may use the link provided in this newsletter.

We are also very proud to be welcoming the Inclusion Quality Mark (IQM) team for a monitoring visit on Tuesday 16th June. As part of this visit, we would like to invite any parents or carers to meet with the assessor between 9:00–9:30am to share their experiences of our school and the support their child receives. If you are available and would like to take part, please contact Hayley in the school office. This award is something we are working hard to maintain, as it will be a brilliant reflection on everything our staff do to ensure all of our children thrive.

Thank you for your continued support,

Yours sincerely,

Mrs C Sleath

Bikeability.

Bikeability takes place next week on the 11th & 12th June for years 5 & 6. Please can you child bring their bike and helmet in on the day.
Thank you

Dear Parent/Carers

We know students can feel tired near the end of term, but every day still matters socially, emotionally, and academically. We'd really appreciate your support in helping your child to attend consistently for these final weeks of this academic year.

CAREERS DAY

MONDAY 29TH JUNE

COME DRESSED FOR THE FUTURE!

On Careers Day, children can come to school dressed as what they want to be when they grow up!

Parents: Do you have an exciting job that breaks gender stereotypes, or has an eco focus? Or could you visit school on the day to share your amazing job with our classes?

If so, please get in touch with your class teacher!

Parent Questionnaire 2025-26

Dear Parents and Carers,

As we approach the final half-term of the academic year, it is that time when we begin to reflect on everything Marlfields has achieved over the past year. Over the next few weeks, we will be gathering feedback from all of our stakeholders, including our children, families and governors, to help us celebrate our successes and identify our next steps.

Your views are incredibly important to us. The annual parent questionnaire is an opportunity for you to share what you feel is going well, as well as any realistic feedback you would like us to consider. We value both equally. Celebrating what works well allows us to recognise the hard work of our staff, and your constructive feedback helps us continue to grow and improve. You may remember that in September we shared a "You Said, We Did" overview, showing the actions we took in response to your comments; we want to continue this transparent approach. I have attached this as a reminder of our school's response.

The questionnaire contains 23 questions, most of which are multiple choice, with space for longer comments. Please do take the time to elaborate where you can as your detail helps us gain clarity and use your feedback meaningfully. A paper copy is available from the school office if you would prefer, and a QR code will also be included in this week's newsletter. This should take no more than 10 minutes to complete.

You can easily access the Questionnaire via the link or QR code below:

[EYFS-Y6 Parent Questionnaire - Marlfields 2025-26 – Fill out form](#)

We hope to gain responses from as many of our families as possible.

The deadline for responses will be Friday 5th June.

Extended till the
8th June

Children and Families Service One Minute Guide

Spring 2026

CEAT: Cheshire East Autism Team: A guide for parents

CEAT Who we are: We are a team of autism specialists consisting of teachers, a support assistant and a speech & language therapist. Cheshire East Autism Team is part of The Children and Families Directorate. We provide a service to Cheshire East maintained schools and academies, offering advice and support to all professionals working with pupils with Autism Spectrum Condition (ASC) or other related social and communication difficulties.

What we do:- We are an education-based service. The main role of the team is to support schools to successfully include pupils with ASC/social communication differences. Our approach is neuro-affirming i.e. we see autism as a difference and not a deficit. The aim is to ensure that these differences are not just understood and accommodated, but valued and respected.

We offer a 3 tier service:

Tier 1 - Training We are an NEN (Neuroinclusive Education Network) training hub. We provide a comprehensive training programme for all school staff to ensure that those working with autistic children and young people have a thorough understanding of the condition and how best to help them.

Tier 2 - Group Consultation

Where a child or young person's needs are more complex, schools can raise them as a case for discussion at group consultation. Strategies are incorporated by school into an action plan/SEND support plan, which is shared with parent/carers. The 'Plan, Do, Review' process is then followed. Group consultations are held once every half term for both new and review cases. We require signed parental/carer's consent for a pupil to be discussed at a consultation.

Tier 3 - Direct Work

For a small number of highly complex cases CEAT can engage in more direct work, this could include observations, modelling of strategies, informal assessments and 1:1 work.
