Chair of Local Advisory Board:	*Mr Gary Provis*
Responsible Officer:	*Headteacher- Mrs C Sleath*
Agreed and ratified by the Local Advisory Board on:	*01.12.2025*
To be reviewed:	*December 2026 or earlier if required*

The policy has 4 parts;

Part A – The CFLP Health and Safety Policy Statement
Part B - Management Arrangements **–Roles and Responsibilities**
Part C - The detailed arrangements & procedures for Health, Safety and Wellbeing within Marlfields School
Part D- The Key Performance Indicators.

The Children First Learning Partnership

Part A

1. Statement of Health and Safety Policy

1.1 This policy supplements both the general statement of policy issued most recently by Staffordshire County Council and adopted by each school within our Multi Academy Trust, and the more detailed statement issued by the Department for Education.

1.2 The Directors of the Children First Learning Partnership recognise and accept their corporate responsibility as an employer for providing a healthy working environment for the teaching and non-teaching staff in their employment, for the children attending each School and for other people who visit or are users of the School. The Directors accept their general duties to their employees as set down in Section 2 of the Health and Safety at Work Act, 1974.

1.3 In compliance with the Health and Safety at Work Act, the Board of Directors along with the Local Advisory Board will ensure, so far as is reasonably practical, that:

- all places and premises where employees and pupils are required to work and engage in school activities are maintained in a condition which is safe and without risk to health. (This includes the health and safety of persons on the premises or taking part in educational activities elsewhere.)
- all plant and equipment are safe to use and that arrangements exist for the safe use, handling and storage of articles and substances at work.
- appropriate safe systems of work exist and are maintained.
- sufficient information, instruction, training, and supervision is available and provided to ensure that employees and pupils can avoid hazards and contribute in a positive manner towards their own and others health, safety and wellbeing.
- a healthy working environment is maintained including adequate welfare facilities.

In addition to the above the school will ensure as far as reasonably practicable the health and safety of other non-employees is not adversely affected by its' activities.

1.4 Within the financial restraints, the Board of Directors will ensure, through the Local Advisory Boards and Executive Board that adequate resources are set aside from the total budget allocation for the policy statement to be properly implemented.

1.5 Employee involvement is an important part of managing safely, and consultation on health and safety with employees and employee representatives form part of this policy. All employees are expected to accept their responsibility to work safely by ensuring that they take reasonable care of their own health, safety, and wellbeing and that of other people who may be affected by their acts or omissions.

Employees will be reminded of their own duties:

- To take care of their own safety and the safety of others.
- To co-operate with the Board of Directors, Local Governing Board and Senior Management Team so that they may carry out their own responsibilities successfully.

1.6 All relevant Regulations, Codes of Practice and Standards will be complied with as necessary.

1.7 Consultation with employee representatives will be held as and when appropriate on all matters affecting the health and safety of employees concerned.

1.8 The Directors undertake to review this policy statement and the accompanying organisation and arrangements annually and in response to any major incident. A copy of this statement will be posted on the staff notice board within the Schools Health, Safety and Well being Policy

Health and Safety Organisation and Responsibilities

2.1 In order to ensure that Health and Safety issues are dealt with in accordance with The Children First Learning Partnership Health and Safety Policy, the following organisational structure has been accepted by the Board of Directors. Duties and responsibilities have been assigned to Staff, Local Governing Board members and Directors as laid out below.

The Board of Directors will elect a named person to be responsible for Health and Safety Matters across the MAT.

2.2 Local Advisory Board (LAB)

2.2.1 The LAB is responsible for ensuring that this policy is implemented at a local level.

2.2.2 The LAB accepts a share of the responsibility for the way in which health and safety issues are addressed, in particular when making decisions about spending which are within its control.

2.2.3 The LAB will elect a named representative for Health and Safety who will act as critical friend to the Headteacher and hold her to account for the implementation of this policy, whilst considering health and safety related information, statistics and reports.

2.3 The Headteacher (or in the event of absence, Assistant Headteacher)

2.3.1 Overall responsibility for the day to day management of all health and safety matters rests with the Headteacher. They are responsible for implementing this policy, whilst promoting a positive, open, health, safety and wellbeing culture in the school.

2.3.2 The Headteacher, as manager of the School and of all the activities carried on within it, will liaise with the LAB, Directors and Local Authority and carry out their recommendations as regards Health and Safety matters. Furthermore, she will advise the LAB and Directors of any areas of Health and Safety concern, in particular those which may need to be addressed by funds.

2.3.3 The Headteacher will investigate all serious accidents and dangerous occurrences which are reported to them, or of which they becomes aware, and report thereon to the LAB, Directors, Local Authority and Health and Safety Executive as appropriate.

2.3.4 The Headteacher will take full responsibility for ensuring that adequate staffing levels are maintained for the safe supervision of children.

2.3.5 The Headteacher will, within reason, provide funds for: The maintenance of the premises. The repair, maintenance, and testing of School equipment. The provision of appropriate protective clothing where necessary. The purchase and maintenance of first aid materials. The purchase and maintenance of fire fighting appliances. Safety Training for staff, when necessary.

2.3.6 The Headteacher will ensure that an adequate level of supervision will be available, and that proper safety arrangements exist, before authorising educational visits or other activities involving pupils off site.

2.3.7 The Headteacher will liaise with, and monitor, as far as is reasonably practical, the activities of contractors, visitors and others on site, to ensure that any risks to the Health and Safety of staff, pupils and others are kept to a minimum.

2.3.8 The Headteacher may appoint a "School Health and Safety Officer" to whom she will delegate certain duties; specifically those detailed below. Alternatively, she may adopt the role herself.

2.3.9 The Headteacher will arrange for sufficient members of staff to be trained in First Aid to ensure that such Aid will be available in any reasonable foreseeable situation.

2.3.10 The Headteacher will normally meet formally with the appropriate Site staff once every half term, to receive a report on any matters needing attention and decide on what action is appropriate.

2.3.11 The Headteacher will ensure that all electrical appliances in their charge have a current PAT testing certificate and will notify the relevant contractor when an appliance is due for testing.

2.4 The School Health and Safety Officer-Headteacher

2.4.1 The School Health and Safety Officer will take note of health and safety bulletins and safety instructions issued from time to time by the Local Authority, the Department for Education and others and arrange for this information to be disseminated.

2.4.2 The School Health and Safety Officer will review this policy statement as necessary and ensure that appropriate amendments are made in accordance with changing circumstances.

2.4.3 The School Health and Safety Officer will formulate and review the arrangements to be taken in an emergency and ensure that all involved are informed of these arrangements. Furthermore she will arrange for an evacuation drill to be carried out at least every half term and all records updated and issues addressed.

2.4.4 The School Health and Safety Officer will provide a Fire Evacuation Notice for each room in the School detailing the route to be taken to leave the building and also giving the locations of the nearest fire alarms and fire fighting equipment. Furthermore, the School Health and Safety Officer will liaise with the Site Staff to ensure that emergency notices around the School are sufficient and up to date.

2.4.5 The School Health and Safety Officer will set in place systems to ensure that regular checks are made of all School premises and equipment, to identify any situation which is unsafe or hazardous to health.

2.4.6 The School Health and Safety Officer will ensure that the correct procedure is followed for the reporting, recording, investigation and follow up of accidents on the premises, or involving staff or pupils involved in School activities off site and she will inspect the file of Accident Reports at regular intervals.

2.4.7 The School Health and Safety Officer will be readily available to receive, from Safety Representatives, from other staff, from pupils and from others using the premises, reports of all problems relating to Health and Safety matters and will, as far as is possible, take appropriate action to minimise any risks.

2.4.8 The School Health and Safety Officer will advise the site manager of all defects and deficiencies of which she becomes aware, either through the fortnightly checks, through the Accident Reports, through other reports made to her or as a result of her personal investigations.

2.4.9 The School Health and Safety Officer will advise The Site Manager on action to be taken for the repair, replacement or removal of any item of furniture or equipment which has been identified as unsafe and the elimination, as far as is practical, of any other potential hazards.

2.4.10 The School Health and Safety Officer will liaise with the Business Manager, with First Aiders, with the Site Manager, with the Catering Manager and with the Cleaner in Charge to ensure that proper practices are followed and to assess risks which are particular to individual areas of School life.

2.4.11 The School Health and Safety Officer will assist in determining any staff training which is required in health and safety matters.

2.4.12 The School Health and Safety Officer will meet formally with The Site Manager once each half-term for the exchange of information and determination of any immediate courses of action.

2.4.13 In normal circumstances, accidents and injuries will be reported firstly to one of the Senior Leadership Team who will determine what action shall be taken.

2.4.14 In the event of an accident or dangerous incident the County Council's recommended reporting procedure will be followed. Dangerous Occurrences and Significant Injuries will be reported to CEO

2.4.15 The Health and Safety Officer is responsible for briefing Supply Teachers and visitors on all matters of Health and Safety Policy which affect them; in particular, action to be taken in case of fire.

2.4.16 Ensure there is a suitable system and process for developing risk assessments and that risk assessments are completed and reviewed on a regular basis.

The Headteacher is the nominated **Premises Manager** and is responsible for the day-to-day operations and maintenance of the buildings, grounds, and equipment. This includes ensuring that statutory inspections of equipment and systems are carried out.

First Aiders

2.6.1 A list of qualified First Aiders, who hold a current first-aid certificate, will be displayed in various appropriate places around the School.

2.6.2 Every case of illness or injury which might need treatment, either to a pupil or to a member of staff or any other person using the School premises, will be referred to a First-Aider.

2.6.3 When dealing with any illness or injury a First Aider will always act in accordance with the training which they have received.

2.6.4 All First-Aiders will ensure that their knowledge and skill are kept up to date by the reading of relevant literature and by further training, if necessary.

2.6.5 Mrs I Morgan will be responsible for ensuring that adequate and appropriate equipment and facilities are provided for the rendering of First Aid.

2.6.6 Mrs I Morgan will also make regular checks to ensure that the First-Aid boxes sited around the school only include the items governed by law and that they are kept replenished.

2.7 All Teaching Staff

2.7.1 Teaching staff are responsible for the health and safety of all pupils under their control both on site and off site.

2.7.2 Each class teacher shall be aware of the School's Health and Safety Policy.

2.7.3 Each class teacher will know the emergency procedure in respect of fire, first aid or bomb scare and inform themselves of the exit route from whatever room they may be using. Furthermore, they will make themselves aware of the location of the nearest firefighting equipment and first aid box to that room.

2.7.4 Each class teacher will ensure that good "housekeeping" standards are maintained.

2.7.5 Class teachers will only permit practical work to be carried out after reading the relevant risk assessment for that activity or, in the absence of such material, carrying out their own assessment, where the nature of the activity, the class size, and the abilities of the pupils involved have all been taken into account.

2.7.6 Class teachers will ensure that no practical work takes place or potentially dangerous equipment is used without adequate supervision.

2.7.7 Each class teachers will ensure that safety instructions are given to all pupils prior to commencing practical sessions.

2.7.8 Class teachers will ensure, as far as is possible, that pupils follow School safety rules and that suitable personal protective equipment is worn where appropriate and that such equipment is in good condition prior to use.

2.7.9 Class teachers will ensure that if any equipment is used which has safety devices fitted then those devices are in good condition and proper use is made of them.

2.7.10 Each class teacher will take out of action immediately any defective furniture or equipment and make a report to The Headteacher as soon as possible.

2.7.11 Each class teacher will report any accident to The Headteacher as soon as is practicable and co-operate in any investigation into the causes of the accident and the determination of any steps which need to be taken to prevent its recurrence.

2.7.12 Each class teacher will report any injury to one of the Senior Leadership Team immediately.

2.7.13 Each teacher will ensure that the agreed level of supervision is available and that appropriate health and safety arrangements are adhered to when taking School parties off site.

2.7.14 Each class teacher will propose for consideration by their Headteacher any improvements which they consider would improve health and safety standards within the school.

2.8 Office Personnel

2.8.1 The Clerical Assistant will be responsible for ensuring that all correspondence relating to health and safety matters which enters the School is passed on to the appropriate person(s).

2.8.2 The Office and Financial Services Manager will ensure that safe working rules and procedures exist in the offices and that these are brought to the attention of the Office and Technical Staff.
